Dear General Director Darius Zvironas,

Taking this opportunity, Hiraska village Council expresses its respect and great gratitude to you for the comprehensive assistance provided by the Republic of Lithuania since the first days of the russian aggression in Ukraine.

From the first days of the full-scale Russian invasion Ukraine felt all the horrors of the war: hundreds of killed and wounded civilians, more than a thousand destroyed and damaged buildings and structures, destroyed engineering communications, psychological trauma and moral suffering suffered by people - terrible result of the russian occupation.

To ensure the delivery of people, food, goods, medicines and other vital items to the affected regions, there is an urgent and permanent need of cars (first of all jeeps, pickups and minibuses). Therefore, I kindly ask you for your support by providing vehicles as part of the humanitarian aid for their use for the abovementioned purposes.

In addition, there is a regular need for long-term food products, hygiene products, clothing, shoes of all sizes, dishes and cutlery, toys and sports equipment, construction materials, spare parts for cars, electrical goods.

If the request for humanitarian aid is approved, the Hiraska village Council will be represented by the authorized person – Sasko Volodymyr (phone number +380688573484, e-mail: [platts2002@ukr.net](mailto:platts2002@ukr.net)).
